

Jason Teixeira

Implementation Specialist | SaaS Onboarding, Integrations, Workflow Automation

Orlando, FL | Remote | (908) 937-6568 | nexuraltrading@gmail.com

sageideas.dev | github.com/JasonTeixeira | linkedin.com/in/jason-teixeira

SUMMARY

Implementation specialist with hands-on experience mapping workflows, configuring SaaS systems, building integrations, documenting processes, validating releases, and communicating with stakeholders. Strong fit for entry-level or associate implementation roles across SaaS, fintech, AI tools, operations platforms, and customer onboarding teams.

SKILLS

Implementation: onboarding, workflow mapping, requirements gathering, configuration, UAT, user acceptance testing, documentation, training notes

Integrations: REST APIs, webhooks, Stripe, auth, Supabase/Postgres, admin tools, dashboards, forms, email workflows

Project Delivery: timelines, scope control, stakeholder updates, issue tracking, QA validation, go-live readiness

Technical: TypeScript, Python, SQL, React/Next.js, FastAPI, GitHub, Vercel, CI/CD

EXPERIENCE

Implementation Specialist / Full-Stack Developer | Sage Ideas

2024-Present | Remote

- Built and configured a production operating platform covering client onboarding, CRM-style workflows, contracts, e-signature, billing, client portal, admin workflows, and audit logs.
- Mapped business requirements into working software workflows, database fields, forms, permissions, acceptance criteria, and QA checks.
- Implemented Stripe billing, auth/RLS, document workflows, email notifications, admin dashboards, and client-facing portal features.
- Created documentation, runbooks, support notes, and release checks to support implementation and ongoing operations.

Senior Analyst & Full-Stack Developer | HighStrike

2021-2026 | Remote

- Translated fintech research and subscriber workflows into dashboards, reports, billing automation, internal tools, documentation, and product improvements.
- Worked with leadership and cross-functional teammates to scope, prioritize, test, ship, and improve production workflows.

Project Manager & General Contractor | Sage Ideas LLC

2016-2021 | Central Florida

- Managed client-facing projects from estimate through delivery, coordinating timelines, scope, subcontractors, budgets, communication, and sign-off.

SELECTED PROOF

Sage Ideas Studio: onboarding, billing, e-signature, admin, client portal, audit logs, 57 API endpoints.

Nexural Automation: workflow automation, MCP tools, validation gates, implementation docs.

HighStrike: fintech dashboards, reporting workflows, subscriber operations, billing automation.
