Orlando, FL | Remote | (908) 937-6568 | nexuraltrading@gmail.com

sageideas.dev | github.com/JasonTeixeira | linkedin.com/in/jason-teixeira

SUMMARY

Technical project coordinator with experience coordinating software workflows, QA validation, documentation, stakeholder updates, requirements, release checks, and client-facing project delivery. Strong fit for IT project coordinator, QA coordinator, implementation coordinator, and technical operations coordinator roles.

SKILLS

Coordination: project tracking, timelines, scope notes, stakeholder updates, meeting notes, action items, release checklists

Software Process: Agile, Jira, GitHub, requirements, user stories, acceptance criteria, QA validation, defect tracking

Technical: SaaS workflows, APIs, dashboards, auth, billing, SQL basics, documentation, support handoff

Delivery: onboarding, implementation support, UAT, go-live checks, risk tracking, customer communication

EXPERIENCE

Technical Project Coordinator / Developer | Sage Ideas

2024-Present | Remote

- Coordinated build, QA, documentation, and release workflows across SaaS features including onboarding, billing, e-signature, portals, admin tools, and audit logs.
- Translated requirements into user stories, acceptance criteria, test checks, release notes, and support documentation.
- Tracked issues, validated fixes, documented decisions, and communicated status across technical workflows.
- Supported implementation planning, go-live checks, customer-facing documentation, and post-release validation.

Senior Analyst & Full-Stack Developer | HighStrike

2021-2026 | Remote

- Coordinated research, product, dashboard, billing, and reporting workflows with leadership and cross-functional teammates.
- Used Agile workflows, Git PRs, code reviews, Jira, Slack, and async updates in a remote team environment.

Project Manager & General Contractor | Sage Ideas LLC

2016-2021 | Central Florida

- Managed client-facing projects from estimate through delivery with scope, timeline, budget, vendor coordination, customer communication, and sign-off ownership.
